

Citywide Collection Event

Rechargeable Device & Lithium-Ion Battery Recycling Collection

Saturday, April 25 | 9:00 AM – 12:00 PM Free!

Bring old rechargeable devices and lithium-ion batteries. Volunteers will route items for safe handling and responsible recycling.

Drive-Up and Drop-Off Locations

Boise High School
Front steps off Washington St

Capital High School
Off Goddard St near tennis courts

Borah High School
NE front corner of campus

Timberline High School
Bus driveway off Apple St

Why it matters

- **Protect sanitation workers.** Lithium-ion batteries can ignite if damaged or thrown in the trash.
- **Help build a clean, sustainable US battery supply chain:** 95% of the lithium and cobalt can be recovered by Redwood Materials

Hosted by **Boise Rotary Clubs** – for more information contact: fredreed3415@gmail.com
