

Citywide Collection Event

# Rechargeable Device & Lithium-Ion Battery Recycling Collection

Saturday, April 25 | 9:00 AM – 12:00 PM **Free!**

Bring old rechargeable devices and lithium-ion batteries. Volunteers will route items for safe handling and responsible recycling.

## Drive-Up and Drop-Off Locations

**Boise High School**  
Front steps off Washington St

**Capital High School**  
Parking lot off Milwaukee St

**Borah High School**  
NE front corner of campus

**Timberline High School**  
Bus driveway off Apple St

## Why it matters

- **Protect sanitation workers.** Lithium-ion batteries can ignite if damaged or thrown in the trash.
- **Help build a clean, sustainable US battery supply chain:** 95% of the lithium and cobalt can be recovered by Redwood Materials

Hosted by **Boise Rotary Clubs** –
